INTERNSHIP COMPLETION CERTIFICATE

Date : - 24/12/2025

This is to certify that **Hardik Patodi** has successfully completed the internship program at Cognetix Technology, serving as a **Java Developer Intern** from **20 November 2025 to 20 December 2025** under **Intern ID - CT/JD/X090**.

During the internship, the intern demonstrated professionalism, analytical thinking, and a consistent commitment to learning new skills. They showed the ability to present ideas clearly, handle tasks with responsibility, and work effectively within the team environment. The intern also displayed initiative in understanding project requirements and completing tasks with sincerity.

The intern maintained discipline, adapted well to assignments, and delivered work with quality and consistency. Their performance reflects a growing professional capability, a positive approach to learning, and the potential to excel in future opportunities.

Best Regards,
Cognetix Technology
